## Auction Types

### Spot Market

In a Spot Market auction, buyers bid on-line until the auction ends. The item(s) are then sold to the highest bidder(s) of the greatest quantity.

### Request For Quote - Reverse Auction

A request for quote or (RFQ) is either public or private. Buyers submit quantity and delivery date requirements, and sellers bid to the buyers. In private RFQ's the information is sent to the vendors via email. In public RFQ's the information is posted to a searchable on-line database.
